Dear Alvee:

Congratulations, you have been admitted to the Bachelor of Computer Science program (Faculty of Computer Science) for the session beginning September 2015. Your Dalhousie ID number is B00723716.

As a transfer student your previous post-secondary work will be assessed for possible transfer credit following receipt of your admission deposit. As soon as the assessment is complete we will notify you in writing. As this process can take four to six weeks, you may find it helpful to visit our online Transfer Credit Equivalency Table for information about classes that have been awarded credit in the past: [www.dal.ca/transfercredits](http://www.dal.ca/transfercredits). If you have questions about transfer credits please call 902.494.2450 or email: [transfercredits@dal.ca](mailto:transfercredits@dal.ca).

When you become a Dalhousie student, you will be joining a dynamic community of students, who like you, are ready to embark on a great adventure on our campus. You will also find the best that life on Canada's East Coast has to offer, as well as a school with impressive international recognition and prestige. You will have access to world-class professors who innovate and inspire, experts who mentor, and a vibrant campus community.

Included in this package is information about the registration process, deposits, residence, life at Dalhousie and much more. **To reserve a place in your program, a non-refundable admission deposit of \$200 is required by Thursday, June 11, 2015.** To live on campus, apply online at [www.dal.ca/housing](http://www.dal.ca/housing). Please refer to the enclosed "*Your Next Steps*" brochure for further important details and deposit deadlines.

If you are currently attending classes, you must successfully complete your work and maintain an academic standing which continues to satisfy the admission requirements for your program. Please arrange for your final transcript to be sent to the Registrar's Office as soon as it is available.

We are sure that Dalhousie's tradition of academic excellence will transform your love of learning into a passion for life. If you have any questions, please call a member of our admissions team or email [admissions@dal.ca](mailto:admissions@dal.ca). When communicating with us, please reference your Dalhousie ID number.

Welcome to the Dalhousie community

Sincerely,

Mairead Barry  
Assistant Vice-President Enrolment Management and Registrar (Acting)
